Hello Everyone,

Well that was a very busy week! Thank you very much for all those parents that took the time to speak to our Ofsted inspector, your feedback is truly valued and important to us. The inspection went well and we will be confirming our rating once we have received the documentation.

The inspection did impede our show preparations and I do apologise for this, we hope to give you more information on Monday to what the children will be wearing etc, but please don't worry there is nothing to complicated!

This week we are letting the children plan the week and will follow their lead as to the activities and resources, so we will see where that leads us, we have already been asked for an additional forest school session and a hair washing station! On Tuesday 2-3pm is the last transition date for Pinvin first school, this is a messy play session, we can of course take your child if you are unable to do so but last year this was such a wonderful session and another opportunity for you to speak to teachers so we would recommend you attend if possible.

Wednesday of course is our trip, I will be confirming numbers on Monday so if you have not already done so you need to confirm your child's place to me by email. If your child is not coming on the trip and their day is normally a Wednesday you are free to swap this to another day that suits you. On Thursday, we will also be holding our dress rehearsal for the show and would like all children in from 9 – 11.30. In addition to this we have arranged for a leavers photo for just those moving onto school, this will take place promptly at 9.15am, this is open to all leavers. Friday of course is show night! Please bring your child to the setting for 5.30pm, dressed for the occasion. The show will begin promptly at 6pm followed by some refreshments and the normal committee run activities.

End of term reports will be issued this week for those children leaving us in July, we have chosen a new format this year and we would be grateful for your feedback on these, if you have a younger child in the setting and you would like to speak to us about their progress, please make an appointment to see us.

Have a lovely weekend,
Zoe and the team.

Home Challenge

The children are loving this terms home challenge, if you have not already done so please bring in your card showing where you live and with whom. The children have enjoyed sharing this with their friends and we now have a beautiful display for this.

Tapestry

All leavers will receive a full electronic copy of their child's learning journal for you to peruse and print at home should you wish. This can be done by a simple download, however last year due to the size of some of the files this proved tricky. This year we suggest parents bring in a pen-stick we can then download your child's file to this so you can keep their pre-school experience alive forever. Please bring these in named the last week of term.
