Pinvin Community Pre-school operates as a charitable organisation and is run by a voluntary management committee, primarily parents and carers, who are the charity's Trustees. The Trustees are responsible for the effective running of the setting as a whole and deal with matters such as HR & recruitment, finance, marketing and business development. Trustee roles include a chairperson, treasurer, secretary and up to nine other members. Elections are held annually in November at the AGM and meet regularly throughout the school year.

The pre-school is legally required to have a management committee and without it the setting could not operate, so we are heavily reliant on the goodwill and dedication of our volunteers. We also have committee members who do not take on the formal responsibilities of Trustees, but help out with fundraising and organising events. We have a regular calendar of events that we get involved with which the committee support the preschool team in arranging and running.

Becoming either a committee member or Trustee is a great way to meet new people, influence how your child's preschool is managed and learn new skills. There are different ways to contribute and you can choose to give as much or as little time as you can spare. Best of all, you do not require any previous experience to make a difference.

As part of our commitment to improve communication, this year the committee will be issuing a quarterly committee newsletter to inform of their plans and to celebrate successes. If you are interested in joining the committee or would like some further information, please contact Hana for further details.

## Committee Meetings

We hold our meetings at the Anchor in Wyre Piddle, as we find this is more relaxing, makes our meetings more fun and we get a cheeky glass or two on a Wednesday night. We do talk pre-school but also have a catch up and chinwag. We have become more friends than just a committee and would love for you to join us.

**First meeting 3<sup>rd</sup> October 2018 7.30pm**

# MACMILLAN CANCER SUPPORT

Please come and join us at the setting where the children will be serving a selection of cakes in aid of Macmillan.

## 2018 – 2019 Fundraising plan

This year we will be focusing on providing the very best environment for our children and will be establishing our plans for a new village hall to accommodate the pre-school in its own space, whilst also providing a community space, fit for the needs of the village.

If you have any experience in such a project we would greatly appreciate your help, we have BIG plans for the Pre-school and would welcome you on our journey.

Please speak to Hana for further details and we will keep in touch with our news through the committee newsletter and Home-link.
