Hello everyone,

After our successful trip to Co-op last week the children have enjoyed a Co-op themed role play area, a big thank you to Kevin from Pershore branch who has supplied us with baskets and point of sale signage to make the children's experiences authentic. Our trip to Browns was also successful with the children having an exclusive tour around the hardware store and even having a turn on the till. Thank you to Nick and his team for making our children welcome. Tomorrow we will be venturing out to Pershore Abbey and Pershore Market, we will be taking all the children on this trip by minibus and spending the afternoon exploring the locality. We have observed this week the children have been very interested in our picture cards from around the world and this has instigated holiday themed play, to capture this interest, we will enhance this with a travel agents and talk times on holidays we have been on or would like to go. We will also continue with the junk modelling projects that have created a lot of interest amongst the children. I just wanted to mention the colder weather and remind parents to please ensure children come in with warm clothing, coats and suitable footwear. Hats and gloves should be named and kept in children's drawer's for them to access independently. Have a lovely week, Zoe and the team.

Committee news

Calling all parents who would like to get active in a fun and easy way!
